

Immigrant Services Kingston & Area (ISKA)

The Kingston Community Health Centres – ISKA program envisions Kingston as a community that is strengthened by the contributions and skills of immigrants, newcomers, and refugees. We offer a variety of settlement programs and services. All information you provide is kept strictly confidential and will never be shared without your permission. We are funded by the Ministry of Labour, Immigration, Training and Skills Development of Ontario. We are proud to have been serving newcomers in Kingston for over 10 years!

Programs

We accompany you along your settlement journey and help make your transition as smooth as possible. Areas of focus can include:

- Assistance with documents
- Individualized mentoring and solution-focused counselling
- Opportunities to make connections in your community
- Support with finding a home for you and your family
- Support with enrolling children in school and daycare
- Connecting you with resources in your community Services in multiple languages
- Document translation through CEOTIS (fees required)
- Coordinated Language Assessment and Referral System (CLARS) on-site through Noble Language Assessments
- Commissioner of Oath facility

To book an appointment with a settlement worker in-person or online, please contact us at 613.544.4661, x5111.
