

KEYS Employment & Newcomer Services

Newcomers to Canada can get settlement help, English training and job search support.

Refugee Resettlement Services

We support government-assisted refugees and others to settle in their new homes, learn about life in Kingston & Canada and make connections.

- Family-based assistance to navigate services and succeed.
- Support for children & youth in school.
- Connections to volunteers, donations, and the community.

Newcomer Employment Services

Get support to find a job and build your career in Canada! KEYS offers one-on-one and group services to help you learn about Canadian workplace culture, connect with employers, navigate credential recognition and transition into the workplace. Our Professional Mentoring Program helps newcomer professionals make connections with established professionals in their field.

Language Classes

English classes at no cost for Permanent Residents and Convention Refugees. KEYS offers in-person, online and evening classes for all levels of English.

Daytime classes run Monday to Thursday and evening classes are on Tuesday and Thursday evenings.
